

HARBOUR THERAPY CLINIC

VOLUNTEER / INTERN ORIENTATION PACK

www.harbourtherapyclinic.com.au

Thank you for your enquiry to join our volunteer program at Harbour Therapy Clinic. We have enjoyed supporting students seeking careers in mental health since 2014.

We are pleased to say that the majority of our volunteers have gone on to study Clinical Psychology or Mental Health Social Work and they report back that the experience they gained at the clinic really helped them decide the path they wanted to pursue.

For us, we have received invaluable input over the years and many of our programs were only able to get up and running because of the dedicated work of the student volunteers. So we very much hope that you also find the relationship between us is mutually beneficial.

We are looking for students who are self-directed, creative and have initiative. Our program for 2019 is for eight students and you will be assigned areas of interest and work in groups. We are planning to meet every Wednesday from 10.00 to 12.00 if this fits in with your Honours timetable. This time is predominantly spent giving progress reports and discussing any issues that may require brainstorming in the group. You should plan to set aside six hours/week in your schedule, which includes the two hours at the clinic.

We understand that there will be times when you will not be available due to other commitments/study load. Once a month we will hold clinical workshops on a Saturday for other students and practitioners for a fee. These will be planned and organised by one of the volunteer groups and will be across several therapeutic modalities. We also love research and this may be your thing!

If you've read this and would like to apply, please complete the following form and attach a recent resume, WWCC and National Police record check. As we work with a vulnerable population, this is very important and will be helpful for you in several ways. Once the form is completed, we will make our selection for 2019 and will inform you of the outcome.
